LETTER FROM THE CHAIRMAN

To all Association Members.

Firstly may I wish every one of you and your families a Happy and Prosperous 2018.

Many of you will realise that during 2017 our Association underwent a fundamental change in its governance and structure and at the same time the reduction in the Civil Service manning levels within the MOD. In essence we no longer have the support so handsomely given by the two Regimental Offices at Gloucester and Salisbury. Perhaps more importantly we will miss the corporate knowledge of both Lesley Bradshaw and Sue Nelmes.

The day to day running of the Association now falls to those of us who have volunteered to assume key appointments within the Association.

Before going on to provide you with an insight into how we will conduct our business in future I wish to pay tribute to Colonel Stephen Oxlade MBE, for the outstanding contribution he has given for the past ten years. Col Stephen has been at the helm from the time of the creation of the Rifles and has provided the calm and reassuring leadership required as new Regiments are formed, being conscious of members' fierce loyalties to their own cap badge whilst transitioning to the new. I suspect that for many the highlight of his tenure will be the Association's Commemoration of the 100th Anniversary of the Battle of Loos at Windsor. So on everyone's behalf, heartfelt thanks to Colonel Stephen for not only that splendid occasion but also for the past ten years of endeavour and leadership.

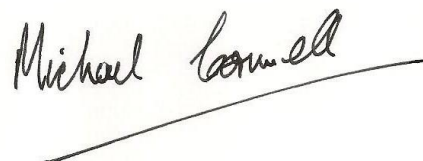

With the loss of the support from the two County Offices the Association is going to have to rely completely on the work of volunteers at all Levels.

Essentially each of the component counties from the Regimental Areas of the RGBW football will now assume responsibility for organising and running the Reunion Events that

happen in Berkshire, Gloucestershire and Wiltshire. So Gloucestershire Committee will run and organise the Back Badge Reunion at St Mary's Lode, the Berkshire Committee will run with the Maiwand weekend reunion in Reading and the Wiltshire Committee will assume responsibility for organising the Salisbury and Devizes Reunion week ends. Events like the Officers Chavenage Lunch and the RGBW Officers lunch at the Wardrobe will be run outside of the Association Governance though whatever support the Association is able to provide will be forthcoming.

Our biggest problem at the moment is ensuring we can communicate effectively with all our former Regimental Members. In the past the Annual Newsletter was sent out by mail. As the then Curator of the Museum at the Wardrobe I used to see the team drawn in by Lt Col John Venus to envelope the Newsletters whilst the museum attendant made numerous return journeys to the post office with a laden sack trolley. With the advent of IT we have progressed to electronic distribution, however one point has become glaringly obvious as we have assumed the data base of the membership. If the data is correct we have a data base of some 11,000 former Regimental Members but less than 1,900 email addresses. So I will be asking Branches to ensure that those Local Branch Members who do not use computers are given hard copies of the Calling Notices for the Reunions Events so that they are able to bid for a place and we can hopefully increase the numbers attending and reverse the trend of a drop in numbers in 2017 due I suspect to no Newsletter going out.

Whilst this Newsheet is brief and to the point the aim is to produce a monthly one to allow Branches to post news and reports of future and recent Events so please pass on any input to the Secretary or Chairman. You can find our contact details at the foot of Page 11.

Michael Cornwell
